

Michael Cloud proudly represents the 27th District of Texas in the U.S. Congress, where he serves on the House Committee on Oversight and Reform and the House Science, Space, and Technology Committee. Thanks to his experience as a small business owner, Michael understands the importance of transforming Washington to encourage economic growth. He is a husband and a father, and he is committed to serving his fellow Texans in our district and working to preserve for future generations the liberty and prosperity we enjoy as Americans.
